Call for candidates for the postdoctoral program FAPESQ-PB-PPGMat-UFPB

The Graduate Program in Mathematics of UFPB (PPGMat-UFPB) announces the opening of 1 (one) vacancy for a postdoctoral fellowship with a FAPESQ-PB scholarship, to be carried out within the above-mentioned program, according to the rules contained in the Edict of Scholarships No 17/2022 FAPESQ-PB.

1. Scholarship

1.1 The amount of scholarship is R\$ 4.100,00 (four thousand and one hundred reais);

1.2 The duration of the scholarship is 12 months, with the possibility to be renewed for another 12 (twelve) months.

2. Applications

2.1 The period of application starts on 16/09/2022 and ends at 23:59h on 25/09/2022, Brasília time. The candidate must send, at the email address ppgmat@mat.ufpb.br, in PDF, the following documents:

2.1.1 A research project for a period of 12 months;

2.1.2 A letter of agreement from a member of PPGMat, showing the interest and availability to supervise the submitted project;

2.1.3 A curriculum vitae updated within the last 03 (three) months on the Lattes platform.

2.2. Each candidate must arrange 02 (two) letters of recommendation from 02 (two) researchers. Each researcher has to send his letter of recommendation directly to PPGMat ppgmat@mat.ufpb.br by email.

3. Selection

The following points will be evaluated:

3.1. The research project of the candidate;

3.2. Scientific production in the last 05 (five) years;

3.3. If the selection committee believes it is necessary, a candidate may be asked for a videoconference interview. The interview will be scheduled in advance by an agreement between the committee and the candidate.

3.4. If this is the case, the priority will be given to proposals from candidates who intend to do their post-doctoral studies in institutions other than those where the doctorate has been concluded.

4. Results and implementation of the scholarship

4.1. The result will be announced on 26/09/2022 or later on the following websites: <http://www.mat.ufpb.br/dm> and <http://www.mat.ufpb.br/ppgmat>.

4.2. The request to appeal the selection result must be made by 23:59h on 27/09/2022, Brasília time. The candidate must send the application by e-mail: ppgmat@mat.ufpb.br. The result of the request must be announced on 28/09/2022.

4.3. The final result will be announced on 29/09/2022 or later on the following websites: <http://www.mat.ufpb.br/dm> and <http://www.mat.ufpb.br/ppgmat>.

4.4. The beginning of the fellowship is in October 2022.

4.5. At the moment of the implementation of the fellowship in the system of UFPB, the candidate must present a document confirming either a doctoral degree received from courses evaluated by CAPES and recognized by CNE/MEC, or an equivalent degree received from a foreign institution.

4.6. The selected candidate must meet the requirements for granting the scholarship listed in the article 12 of the Edict of Scholarships No 17/2022 FAPESQ-PB.

5. Final considerations

- The candidate should be aware that, if it is in the interests of PPGMat, he or she may be invited to teach a course in the mathematics department of UFPB.
- At the end of the postdoctoral fellowship, the researcher and his/her supervisor must present to the PPGMat a report on the activities.
